CLASS DESCRIPTIONS

DRAWING: Grades 4-8: Art Wise provides directed drawing instruction in a way that everyone is guaranteed success using a new curriculum every week. This class will help students with skills they can use in school everyday: focus, self-discipline, problem solving, visualization, paying attention to detail and development of motor skills. All supplies are provided. Most of all...Learning to draw is FUN!

HIP-HOP: Grades: 4-8: Kristen Meyer, formerly an instructor at El Dorado Dance Academy and a member of their Dance Company, is here to teach the best of urban dance. Hip -Hop is the latest cultural trend on the dance scene and offers exposure to street, funk, lock'n'pop and break as a part of this class. Wear loose comfortable clothing. On the last day of class, students will perform for their parents and friends.

ROBOTICS: Grades 5-7: Come discover the newly discovered tomb of an ancient Mayan king and build a robot to discover the secrets hidden in this tomb. Learn about motors and sensors as you design a Lego Mindstorms robot to navigate through the old pyramid. Programming is easy and fun with the Lego software that will allow you to move closer to the secrets of our Mayan Adventure.
