DRAWING: Art Wise provides directed drawing instruction in a way that everyone is guaranteed success using a new curriculum every week. This class will help students with skills they can use in school everyday: focus, self-discipline, problem solving, visualization, paying attention to detail and development of motor skills. All supplies are provided. Most of all...Learning to draw is FUN

Play the guitar in 6 weeks! Learn basics of playing, writing music, theory and ear training. Have fun even if you've never played the guitar. Bring steel-string or nylon acoustics guitar only. Supply fee of \$5 included in cost.

Francesca has developed a simple and fun method for teaching basic music principles to children. The small size of the flute make it the perfect instrument for young children. Flutes are provided for the class. Supply fee of \$6 included in registration cost.
